The Knock-out Blow.

The blow which knocked out Corbets was a revelation to the prize fighters.
From the earliest days of the ring the
knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing for an ignoramus. Dr. Pierce is bringing house to the public a parallel fact; that the somack is the most vulnerable organ out of the prize ring as well as in it. We protect pur heads, throats, feet and lungs, but the definition we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Doctor Pierce's Golden Medical Discovery, and you protect voursel in your most vulnerable spot. Golden Medical Discovery cures "weak stomach," indigestion, or dysponsia, torpid liver, bad, thin and im-

dyspensia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition. The "Golden Medical Discovery" has a

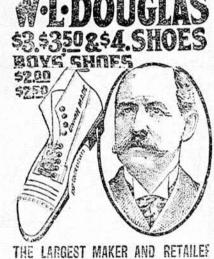

specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the etomach, bowels, bladder and other pelvio organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R.V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that there exists no explaining the seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page lilustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above. A Reliable CATARRH

Remedy Ely's Gream Baim is quickly absorbed.

It cleanses, soothes, hears and protects the diseased membrane resulting from Catarrh and drives

away a Cold in the Head quickly. Re-HAY FEVER Taste and Smell. Full size 50 cts., at Drug-gists or by raail. In liquid form, 75 cents.

RAMMED AN ICEBERG. Alaska Steamship Company, formerly delivering me from the bonds of hell." a yacht used by George W. Perkins, of New York, bound from Valdez to Seattle, with 65 passengers, struck an iceberg in Ice Strait Wednesday and eank within eight minutes in six fathoms of water at high tide. There was no loss of life, and, so far as is known, no one was injured. The shipwrecked passengers and soil

ors are camped on Chichagof Island. The Yucatan was bound for Gppsym on Chicagof Island, to take on a cargo of gypsam. When Icy Strait was reached the water was smooth, but there were great fields of ice. Snow was falling so heavily that it was impossible to see far ahead. Oapt. W. P. Porter, was on the bridge with the pilot, Cart John Johnson, who commanded the steamship Ohio when she was lost in

British Columbia weters last eummer. Slow speed was ordered and the steam r crept through the ice. Presently an iceberg loomed up shead and the steamship rammed it, tesring a great hole in the side of the vessel. Full steam ahead was ordered and the Yucatan was beached on Chicagof Island. The boats were lowered and all ou board were taken ashore withou: mishap or confusion. The 10 women passengers were taken off first. Food and bedding and the United States mail were also saved. On the island the castaways found cabins and, with sufficient food, cloth-

ing, blankets and wood, are not likely to suffer. Many passengers lost their personal effects. Nasal Catarrh, an inflammatian of the delicate membrane lining the air-passages, is not cured by any mixtures taken into the stomach. Don't waste time on them. Take Ely's Cream Balm through the nostrils, so Ely's Cream Baim through the nostris, so that the fevered, swolen tissues are rea hed at once, 'ever mind how long you have suffered nor how often you have been cleap pointed, we know Ely's Cream Baim is the manely you should be all the control of the control o

United States Senator Binjamin R. Tillman, of South Carolina, is seriously ill and probably will be unable to participate in any active deliberations of the Senate for the remainder of this session.

Following the collapse of the senator on the steps of the Capitol in Washington Wednesday, he was removed to his home and appeared to recover from an attick of dizziness, but yesterday his condition was such as thoroughly to alarm

In the opinion of the doctor, rest and qu'te are essential, and Senator Tillman will be

unable to participate in any serious work of this session of Congress, even if his affliction grows no more serious.
